## PRESS RELEASE

### Multitude of contracts in ERBUD, over PLN 1 billion net of order portfolio

On 27 April 2010 Erbud signed a contract to reconstruct of laundry in the Silesian Medical University. The contract, to be performed over a period of about 18 months, is worth approximately PLN 10 million net. This is already the fourth agreement in the large-volume building segment concluded by the Group in April this year. The total net value of contracts of the Group signed in April in the above mentioned segment amounted to nearly PLN 90 million net.

During the past four weeks the Erbud Group has concluded two housing contracts (residential complex in Bielany and housing area in Ursus), and a contract to build the „Galeria Twierdza Zamość” Shopping Mall.

In the segment of construction of facilities for power industry the Erbud Group has signed a contract for reinforced concrete works, general building and finishing works on the power unit of 858 MW in the Bełchatów Power Station. The Group's Branch of Power Engineering Construction is responsible for performing this project. The Company Alstom Power Sp. z o.o. is the investor. The contract, to be executed during April - October 2010, is worth PLN 10.8 million net. End April, the portfolio of the Group in the area of power industry contracts amounted to PLN 43.0 million net.

The Erbud's Group portfolio of orders for the period 2010 - 2011 was worth over PLN 1 billion net at the end of April.
